

September Term 2016

Welcome from **Diamond Tennis Academy**

We would like to let you know about a fantastic opportunity for your child to learn tennis at their school and to experience the knowledge and guidance of our highly qualified tennis coaches (all CRB checked) and the use of top quality tennis equipment, with the aim of having fun, keeping active and fine tuning their tennis skills.

**Diamond Tennis Academy** not only runs after school clubs, but we also train club and county players at our House of Sport training facilities. Through our programme of structured and challenging lessons our coaches develop the tennis and fitness skills required to compete against other players throughout South Wales. Players are tested each term and when they reach the required standard they receive a certificate and are promoted to the next training group

As we run in tandem with the school terms we are able to offer Tennis Camps at the new Cardiff City House of Sport 3 (off Sloper Road) where players have a greater amount of time on court to progress their skills. Players need to be in sports gear (PE kit is fine) with trainers and they need to bring a drink. Each player will be given a progression tracker that they need to bring to club each week.
