

Sunday Match play sessions for social adult players

All session at House of Sport Cardiff, Cf11 8AW

A majority of our customers are social/recreational players and we have been looking at a way to bridge the gap between playing matches during the coaching sessions and external competitions against other clubs. We have come up with a variety of options for our players to compete and hope that the players will find it useful. We are also looking for feedback on how you have found these events so please feel free to let us know.

Touch tennis matches will be played on a touch tennis sized court with indoor touch tennis balls and played under touch tennis rules.

All other matches will be played on full sized courts and will follow the fast 4 tennis scoring system. This will allow all players to play multiple matches on one day regardless of whether they win or lose.

Entry for the competitions is online via the www.diamondtennisacademy.co.uk/tournaments Entries close 7 days before the before the event and for us to be able to co-ordinate the matches. No late entries will be accepted.
