Update on DTA sessions

With Welsh government guidelines of a Cardiff Lockdown coming into effect from 6pm on the 27th September we are looking to confirm how this affects our sessions.

All our Cardiff sessions are running as normal. Players need to follow Welsh government guidelines and be resident in Cardiff to attend these sessions.

From Wednesday 30th September, we will restart our indoor sessions in Cowbridge Leisure centre, 5-8pm. These are for players resident in the vale of Glamorgan. Please click [here for details of the programme.](#)

If you are not sure about your sessions, please email us and we are happy to clarify.

We will monitor any further Welsh government changes and react accordingly.

Stay safe and we will see you soon.
